1. Wahl Super Taper Turns 50

The world's biggest selling professional hair clipper turns 50 in 2007 and to celebrate Wahl will be releasing a commemorative clipper, with the original '50' graphics, at Hair Expo. These clippers will be specially packaged and very limited in number - so you will need to get in quickly if you want to secure one. Contact: Unity Agencies, (07) 3397 8777.

2. DH Stylist Cover Up apron

Designed to protect clothes, this nylon/polyester blend apron is one size fits all with metal snap locks so they are easy to share around the office, while the zipper pockets store personal items away safely. Available in five colours. Contact: Weston Imports, (02) 9868 0299.

3. Ocean Wave

The Ocean Wave Bed is an ideal way to generate new and supplementary income for your business without increasing your staff numbers. Incredibly simple to use with or without an attendant, during the session the user is transported into a state of mental and physical relaxation by the unique combination of full body flotation, deep heat and trigger point massage. Contact: Ocean Wave Australia, 1300 552 470.
